INDEPENDENT AUDITOR'S REPORT

Opinion

We have audited the consolidated financial statements of Apex Global Consumer PLC, which comprise the balance sheet, statement of income, statement of cash flows, and notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company in accordance with applicable statutory accounting principles. Complete source-to-pixel provenance lineage and Euclid identity mathematical equilibrium (Assets = Liabilities + Equity) have been fully verified.
